

BTA NEWSLETTER: DECEMBER 2009

Next meeting: January 14, 2009 at 6:30 pm

The clubhouse renovation is done with a couple small projects still to be completed. The stone work for the fireplace is complete and we are just waiting to install the wood burning stove and pipe. We are also waiting for the new bow lockers to be completed. But with the new cathedral ceiling, lighting, speakers and new 50" plasma TV, the clubhouse looks beautiful. Thank you to all who made this renovation possible.

There is a tentative working party scheduled for the 19th of December. Watch your email for info.
